**INCOME TAX PLANNING, PREPARATION, AUDITS & APPEALS**

**DO YOU REMEMBER THE LAST TIME YOUR CURRENT TAX PROFESSIONAL CAME TO YOU AND SAID HERE IS AN IDEA THAT WILL SAVE YOU MONEY?**

Generally, taxes are just a small part of a CPA's main work of the Bookkeeping, Reporting and Assurance. I highly respect CPAs and have had a long and proud career almost similar to them. As a Federal Income Tax specialist, I help business owners legally reduce taxes and fulfil their dreams by proactive tax planning.

**If you are:**

- A business owner and/or a W-2 earner with 1099-MISC income to you or to your spouse.
- Subject to a sizable amount of tax (please check lines 47 and 63 of your Form 1040).

**Please email me for your FREE tax analysis.**

**Did you know?**

- Current facts, goals & laws decide the selection of either LLC, Corp, S-Corp, Partnership or a mixture.
- How to build a section 105 plan for a husband-wife team to deduct most medical expenses.
- How hiring your certain age children can put money in your pocket.
- About easily over looked vehicle deductions, keeping appointment books & mileage logs.
- How to use the "De Minimis Safe Harbor" to expense assets costing up to \$2500 & more the same year.
- When to elect the section 179 expense, bonus depreciation and NOL to get the maximum benefits.
- About the cost segregation, Section 1031 exchange and restaurant, retail or leasehold improvements.
- How to benefits from the Research & development and various other credits available.
- How to properly report the education expenses, and how to file the FAFSA.
- If you are getting the honest advice on FBAR, FATCA, Streamlined Filing Procedures Vs OVDP.
- How to avoid & Appeal the IRS audits; reduce total tax liability and pick the best Collection alternative.

**EXPERIENCE THE PROFESSIONALISM**

I personally do your tax work. I have more than three decades of experience in Auditing, Accounting and Financial Planning as a Texas Instruments employee trained by its big CPA firm, and as a Dallas business owner. I work closely with highly successful and experienced CPAs, Tax Attorneys, Retirement and Insurance professionals. I am an EA authorized by the US Department of Treasury to practice before the IRS in all 50 US states. I earned my MBA degree from the University of Dallas.
